Youth Fun Run

Saturday
February 22, 2014

Course Description: FLAT-FLAT-FLAT
The race starts and finishes on the campus of Sterlington High School. The start line is directly in front of the football field house. The course is an out-and-back with a short run through Thatcher Point Subdivision on the way in. There will be a very short run through some grass to enter the high school football stadium. The last 300 meters is on the track and finishes on the home field side. This will be a fantastic spectator race. There will be TONS of parking and clean rest rooms with many stalls.

Ashley

Dear Runner,

On June 29, 1988, Ashley St. Romain was born to Richard "Pooney" and Sunnye Kae of Sterlington, Louisiana. Not many years later, Ashley was diagnosed with cystic fibrosis, a lung disease. Even though Ashley passed from this earth in October 2005, she has left a legacy that will always be remembered.

Ashley touched many people's lives with her huge, caring heart, and her daily walk with Jesus Christ. She never took for granted any second she had with family and friends. Her life was full of laughter and joy.

In 2007, a scholarship was started by her parents as a means of ensuring that Ashley is forever a Sterlington Panther, and showing their continued support of Sterlington High School.

Proceeds from the the Annual Ashley St. Romain Memorial 5K are used to provide scholarship for SHS Seniors annually.

On February 22, 2014, the 4th Annual Ashley St. Romain 5K will be held at Sterlington High School.

Many thanks to Dell Ashley, principal at Sterlington High School, the Ouachita Valley Road Runners Club, and the Ashley St. Romain Race Committee for making this annual event happen.

Good Luck!
